Jotz Productions

Leichhardt, NSW 2040

Dear Mr. Zubrycki,

I accepted to participate in the process of the making of a documentary related to Western Sahara.

Since my participation the documentary project has become the subject of a vigorous controversy regarding its purpose and authenticity. Its directors' credibility and ethics are also being questioned.

Given that I was not fully informed about the real purpose of the film and that I do not wish to be involved in a controversial project, I would like to make the following statement:

I, **Fetim Salami Hamdi**, hereby affirm that I do not agree that Jotz Productions Pty Ltd. and/or United Notions Productions (the Companies) use all or any of my sound recordings or images (the Materials) or alter or modify it regardless of whether or not I am recognizable. I further do not agree or accept that the Companies own any right, title or interest (including, without limitation, all copyrights) in and to any video, any recordings or still pictures of myself.

I do not give consent to the use and reuse or broadcast by any television station, of my voice, actions, likeness, name, appearance, biographical material, and any information contained in or derived from my participation in the Wall of Shame or Born in Captivity documentary or any other documentary film including, without limitation, any recordings or still pictures of me taken during the documentary making process.

I do not give consent to any television network, cinema or theatre to use the Materials, including without limitation, the rights to use, modify, reproduce, publish, perform, display, distribute, make derivative works of and otherwise commercially and non-commercially exploit any materials related to me in perpetuity and throughout the universe, in any manner or medium now existing or hereafter developed.

I reserve the right to seek all liability arising out of the recording or use of myself and any materials related to me. Further, I reserve the right to make any claim against the Companies as a result of the recording or use of myself and/or the materials (including, without limitation, any claim that such use defames me and/or my family or invades any right of privacy and/or publicity).

I hereby do not release the Producer, the documentary directors, any television station or channel, cable network, or satellite network that airs the Materials, the advertisers or sponsors connected with airing the Materials, each of their respective parent, subsidiary and affiliated companies, all other persons and entities connected with them, and each of their respective officers, directors, agents, representatives, employees, successors, assignees, and licensees from any and all claims, actions, damages, liabilities, losses, costs and expenses of any kind (including, without limitation, attorneys' fees) arising out of, resulting from, or by reason of, my participation in or in connection with either The Wall of Shame and/or Born in Captivity documentary.

Yours sincerely, *Fetima Sadiq Handi*
